“ Dear Routon Family, I am once again saddened by the passing of another saint, but joyful that he is in the presence of our Heavenly Father. Mel and Lorraine were mentors, prayer warriors, encouragers, and everything in between for me, a single mom going through many trials and tribulations. But there was much joy at our church, it was my anchor, and Mel and Lorraine made me laugh and gave me hope through God’s word. I have sweet, fond memories of many brothers and sisters in the Lord, and Lorraine stands out for one significant reason. My good friend invited me to church and as broken as I was, I went down for alter call, it was Lorraine who knelt beside me and led me to the Lord. Her prayer was powerful and sweet, and it was there I felt the presence of God. I will never forget this lovely couple! God will reward them for their time invested picking up those who were down. And all the fun we had together, they made life bearable for many. I pray I see you in Paradise and have a chance to say thank you, and I love you. Enjoy your heavenly rewards, and visit with old friends. I hope I can do for others what you have done for me....Blessings and condolences to the entire family.

Love, Terri and Curt Waters (formerly Terri Wheeler with 3 daughters, Brianna, Amy, Ashley)
